CITY OF WEST MONROE
2021 – 2022 BUDGET MESSAGE

Attached is the proposed budget for the City of West Monroe for the fiscal year July 1, 2021 to June 30, 2022. The budget is divided into several funds including a General Fund, Utility Enterprise Fund, Special Revenue Funds, Fiduciary Funds, Debt Service Funds, and Internal Service Funds.

As we near the end of the COVID-19 pandemic, our local economy has endured and even grown. Citizens have supported our local businesses and new businesses are opening in the city. Even with the changing retail environment, our local sales tax base remains strong. Signs of growth in West Monroe can be seen throughout the city. The administration has taken steps to operate as efficiently and as effectively as possible while continuing to provide the highest level of service to our citizens and visitors. The future for West Monroe is bright and our community continues to grow and prosper. This budget represents an investment in the future of West Monroe and our continuing efforts to "Take West Monroe to the Next Level".

GENERAL FUND

The primary operating budget for the City of West Monroe is the General Fund. The General Fund is used to support City services such as police, fire, parks and recreation, community development, as well as general government services.

The proposed General Fund budget for the 2021-2022 fiscal year totals \$21,445,407, an increase of \$382,818 or 2% over the FY 2020-21 adopted budget. The proposed FY 2021-22 budget includes a surplus of \$300,327. The proposed budgeted surplus will bring the City's General Fund fund balance to \$7.5 million or approximately 35% of current operating expenditures at the end of the 2021-2022 fiscal year.

Revenues

The total General Fund revenue is \$22.22 million, up \$804,177, which represents a 4% increase from the FY20-21 adopted budget. The

largest source of revenue for the City of West Monroe at 70% of total General Fund revenue is sales tax revenue. Sales tax revenue has remained strong throughout the COVID-19 crisis and is estimated to increase slightly during the coming year. The second largest single source of revenue for the General Fund is ad valorem tax, which provides \$1 million or 5% of the total General Fund revenue and is one of the lowest millage rates in the state.

Licenses and Permits, Charges for Services, and Program and Activity Revenue each provide just over \$1 million each and each make up 5% of the total General Fund Revenue. The remaining 10% of General Fund revenue consists of interest and investment revenue, state revenue, federal grants, and other miscellaneous sources.

Expenditures

The most valuable asset for the City of West Monroe, and for any city, is its employees. A qualified motivated workforce is the lifeblood of a city. It is the employees who provide the many services to our residents and visitors on a daily basis, and it is because of their efforts that the City of West Monroe continues to provide the high level of service its citizens and visitors deserve. With the uncertainty that the COVID-19 pandemic caused to last year's budget, the city was not able to provide a cost-of-living allowance in 2021. The FY21-22 budget includes a 3% COLA.

The total amount budgeted for retirement system contributions for the FY21-22 General Fund Budget is \$3.08 million which is approximately 14% of the total General Fund Expenditures.

The proposed General Fund expenditures for the 2021-2022 fiscal year is \$21,445,407, which is a 2% increase from last fiscal year. As mentioned above, the City General Fund provides funding for various departments and

functions within the city such as Police, Fire, Culture and Recreation, Community Development, and general government services. West Monroe boasts both a Fire Department with a Class 1 rating and Louisiana's first nationally accredited Police Department as well as a nationally accredited Senior Center. Over the past two years the city's recycling center has sent over 250,000 tons of material for recycling and kept it out of the local landfills.

UTILITY ENTERPRISE FUND

The City of West Monroe operates a water treatment and distribution system as well as a wastewater collection and treatment system. The City provides water and wastewater utilities to all its residents and businesses within the city limits. The operations of the utilities department are accounted for like a business and as such are budgeted using an Enterprise Fund budget.

The City of West Monroe proposed Utility Enterprise Fund budget for the 2021-2022 fiscal year totals \$5,226,046 which represents an increase of \$77,377 or approximately 2% from the FY 2020-21 adopted budget. The proposed FY 2021-22 Utility Enterprise Fund budget includes a surplus of \$282,412 which will bring the Utility Enterprise Fund retained earnings to \$824,037 at the end of the 2021-2022 fiscal year.

REVENUES

The Utility Enterprise Fund revenues total \$5.57 million which is slightly less than the FY 2020-21 Utility Enterprise Fund adopted budget. Revenues for the Utility Enterprise Fund are made up of charges for services and cost sharing from Sewer District 5 and remain relatively steady.

EXPENSES

The Utility Enterprise Fund budgeted expenses total \$5.2 million and represents an increase of \$77,377 from the FY 2020-21 Utility Enterprise Fund adopted budget.

At \$2.5 million, operating the Sparta Reuse Facility is the single largest expense for the City of West Monroe Utility Enterprise Fund, representing 50% of the total expenses. Converting wastewater to water of drinking standard quality for use in paper manufacturing saves over 7 million gallons of drinking water a day from the Sparta Aquifer, which provides drinking water for much of Southern Arkansas and North Louisiana.

CAPITAL BUDGETS

During FY 2019-20 and FY 2020-21, the City of West Monroe has invested nearly \$17 million in additional infrastructure and capital improvements including \$1.2 million in additional drainage projects, \$1.4 million in additional sewer projects, \$2.7 million in additional street projects and over \$500,000 in new water projects as well as \$2.4 million for the purchase of repetitive flood properties.

The proposed 2021-2022 fiscal year Capital Fund budget includes more a than \$5 million investment in continued capital improvements including the completion of the Arkansas Road Drainage project and the start of the Highland Park Infrastructure project as well as other drainage, sewer, water, and street projects that will sustain and improve the City's ability to provide essential services to our citizens.

CONCLUSION

The last year has been a very challenging year, and the administration has worked hard to maintain the high level of service and facilities that our citizens and visitors have come to expect from the City of West Monroe. As we near the end of the COVID-19 pandemic and begin to return to a more "normal" way of life, we look forward to the return of events with full attendance and fellowship with our friends and neighbors. The City of West Monroe has come through the last year and is in an even stronger financial position than when the year started. With a strong Fund Balance and reserve, the City is ready to leverage its resources to reach even higher goals and to "Take West Monroe to the Next Level".

Ronald S Olvey
Finance Director
