**CITY OF WEST MONROE**  
**2023 – 2024 BUDGET MESSAGE**

Attached is the proposed budget for the City of West Monroe for the fiscal year July 1, 2023 to June 30, 2024. The budget is divided into several funds including a General Fund, Utility Enterprise Fund, Special Revenue Funds, Fiduciary Funds, Debt Service Funds, and Internal Service Funds.

As we deal with the inflation and supply shortages that continue 3 years after the COVID pandemic issues, our local economy continues to endure and even grow. We see new businesses opening and other signs of growth in our area. However, like everyone else, the City of West Monroe is affected by the higher prices of operation and the supply shortages and tighter labor market. The administration has taken steps to continue to operate as efficiently and as effectively as possible while maintaining the highest level of service to our citizens and visitors. We are excited about the future of West Monroe and our local community as we continue to make investments that provide first class services and amenities to our citizens and visitors and provide for future growth and prosperity.

**GENERAL FUND**

The primary operating budget for the City of West Monroe is the General Fund. The General Fund is used to support City services such as police, fire, parks and recreation, community development, as well as general government services.

The proposed General Fund budget for the 2023-2024 fiscal year totals \$25,017,669, an increase of \$1,733,262 over the FY 2022-23 adopted budget. The proposed FY 2023-24 budget includes a surplus of \$3,120,494 before transfers and \$120,494 after transfers. The proposed budgeted surplus will bring the City's General Fund balance to \$12.2 million or approximately 49% of current operating expenditures at the end of the 2023-2024 fiscal year.

**Revenues**

The total General Fund revenue is \$ 28.1 million, up \$4,166,598, representing a 17% increase from the FY22-23 adopted budget. The

largest source of revenue for the City of West Monroe at 71% of total General Fund revenue is sales tax revenue. Sales tax revenue has grown over the last year and is estimated to increase during the coming year. The second largest single source of revenue for the General Fund is ad valorem tax, which

provides \$1.1 million or 4% of the total General Fund revenue and is one of the lowest millage rates in the state. Licenses and Permits, Charges for Services, and Program and Activity Revenue each provide just over \$1 million each and each make up 3% of the total General Fund Revenue. The remaining 6% of General Fund revenue consists of interest and investment revenue, state revenue, federal grants, and other miscellaneous sources.

**Expenditures**

During this tight labor market, it is even more important to maintain a happy and qualified workforce. A qualified motivated workforce is the lifeblood of any city. It is the employees who provide the many services to

our residents and visitors on a daily basis, and it is because of their efforts that the City of West Monroe continues to provide the high level of service its citizens and visitors deserve. The City of West Monroe strives to provide pay and benefits that are both effective and cost efficient in an effort to attract and maintain the best qualified and most effective employees. The 2023-

2024 proposed budget includes a 3% cost of living adjustment for all our front-line team members.

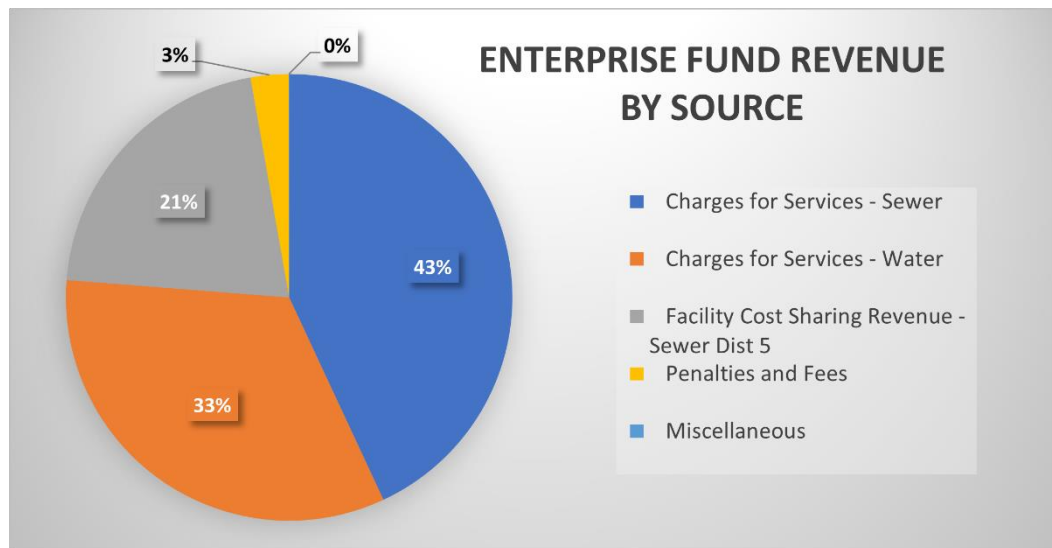

The total amount budgeted for retirement system contributions for the FY23-24 General Fund Budget is \$3.3 million which is approximately 13% of the total General Fund Expenditures. The proposed General Fund expenditures for the 2023-2024 fiscal year is \$25,017,669, which is a 7% increase from last fiscal year. As mentioned above, the City General Fund provides funding for various departments and functions within the city such as Police, Fire, Culture and Recreation, Community Development, and general government services. West Monroe boasts both a Fire Department with a Class 1 rating and Louisiana’s first nationally accredited Police Department as well as a nationally accredited Senior Center. Kiroli Park, which boast one of the areas most beautiful trails, had almost 100,000 visitors last year and hosted several festivals and events, including Christmas at Kiroli, which brought in visitors from all over the region.

**UTILITY ENTERPRISE FUND**

The City of West Monroe operates a water treatment and distribution system as well as a wastewater collection and treatment system. The City provides water and wastewater utilities to all its residents and businesses within the city limits. The operations of the utilities department are accounted for like a business and as such are budgeted using an Enterprise Fund budget.

The City of West Monroe proposed Utility Enterprise Fund budget for the 2023-2024 fiscal year totals 6,376,212 which represents an increase of \$858,012 or approximately 16% from the FY 2022-23 adopted budget. Due to an increase in water rates to offset the cost of supplies, gas, electricity, and labor, the FY 2023-2024 Utility Enterprise Fund budget includes a surplus of \$223,636 which will bring the Utility Enterprise Fund retained earnings to \$645,375.

## REVENUES

The Utility Enterprise Fund revenues total \$6.7 million which is a 11% increase from the FY 2022-23 Utility Enterprise Fund adopted budget. Revenues for the Utility Enterprise Fund are made up of charges for services and cost sharing from Sewer District 5.

## EXPENSES

The Utility Enterprise Fund budgeted expenses total \$6.3 million and represents an increase of \$858,012 from the FY 2022-22 Utility Enterprise Fund adopted budget. At \$2.6 million, operating the Sparta Reuse Facility is the single largest expense for the City of West Monroe Utility Enterprise Fund, representing 42% of the total

expenses. Converting wastewater to water of drinking standard quality for use in paper manufacturing saves over 7 million gallons of drinking water a day from the Sparta Aquifer, which provides drinking water for much of Southern Arkansas and North Louisiana.

## **CAPITAL BUDGETS**

Over the past few years, the City of West Monroe has invested millions in critical infrastructure improvements, such as Water, Streets, Sewer, Drainage, and Flood Control. The proposed 2023-2024 fiscal year Capital Fund budget includes \$13.9 million investment in continued capital improvements including the completion the Highland Park Infrastructure project, as well as other drainage, sewer, water, and street projects that will sustain and improve the City's ability to provide essential services to our citizens and businesses.

## **CONCLUSION**

The City of West Monroe is coming off a strong year, and signs of growth continue all around the city. With investments in infrastructure, continued improvements downtown, and the construction of the new West Monroe Indoor Sports Complex, the city is positioned for continued growth.

*Matthew Wilson*

Finance Director
